CMD, NSIC apprised all the members of Association about the directives of the Deptt. of Public Enterprises (DPE) and Ministry of MSME that NSIC have to play a pivotal role of commercial as well as promotional to help the MSMEs in the country through various schemes of the Corporation.

CMD also advised all the members of the Associations to request their members to upload the information on the MSME data bank which is very important.

Sh. B.Praveen, Hon. Gen. Secretary KASSIA informed that their Association have created a "**Helpdesk**" for their members to upload their requirement of raw material. This helpdesk would identify the demand of new material and the same would be shared with NSIC field offices. NSIC, Bangalore will follow up with KASSIA to identify the demand for difference raw material through this Helpdesk

Sh. Jitendra Pareek, Managing Director Indian Industries Association informed that their Association is segregating the data industry wise.

This exercise would help their members to attend meetings/campaigns related to their sector and take benefits out of it.

The members of the Association gave their suggestions/views which are as follows:

1. Sh. Jitendra Pareek, Managing Director Indian Industries Association suggested that a common platform be developed between NSIC and their Association to disseminate the schemes of the Corporation amongst their members.
2. Shri Ravi Sood President , Badli Industrial Estate Cstp Society, suggested
  - a) To reward those unit who make payment on time or early, by giving concession in the interest.
  - b) To have RMA scheme be made online.
3. Ms. Anju Bajaj, National Secretary, Laghu Udyog Bharati suggested that Association's representative should accompany NSIC's official when they visit industrial area to inform the benefits and schemes of the Corporation amongst the members

All the participants complimented NSIC for its initiative for holding structured deliberations with Industry representatives. They appreciated the scheme of Raw Material Distribution and credit finance under RMA against BG.

The meeting ended with Vote of Thanks.
